CONSTITUTION

AND PURPOSE: The role of the Board Risk Committee is to ensure that there is proper consideration and assessment risks and stresses ensuring that the Investment Manager develops appropriate strategies to protect the Group’s portfolio of investments. Specifically, it will:

- a. Recommend to the Board a Group risk appetite, risk limits and tolerances across the key risks to which the business is exposed;
- b. Monitor investments so that they are aligned with the agreed risk appetite;
- c. Review major initiatives such as related party acquisitions or initiatives in new geographies or asset classes and be assured that appropriate due diligence has been carried out and that any associated movement in risk profile remains within risk appetite;
- d. Monitor key risk exposures ensuring that the Investment Manager is exercising appropriate control to reduce the likelihood of risk crystallisation resulting in financial loss, reputational damage or regulatory concern;
- e. To review the policies and process for identifying and assessing business risks and the management of those risks by the Company;
- f. Review, challenge, approve and monitor stress and scenario tests; and
- g. Provide oversight and advice to the Board in relation to current and potential future risk exposures of the Group.

AUTHORITY: The Committee is authorised by the Board to:

- a. Investigate any activity within its terms of reference;
- b. Seek any information that it requires from any party;
- c. Obtain such professional external advice as the Committee deems appropriate as a means of taking full account of relevant risk experience elsewhere and in challenging its analysis and assessment;
- d. Commissioning third party assurance work from time-to-time to test systems, controls and other areas of perceived weakness as appropriate; and
- e. Challenge and support the Investment Manager in embedding an appropriate risk culture so that their staff are alert to the wider impact on the organisation of their actions and decisions and respond accordingly.

RESPONSIBILITY: Without limiting the Committee's remit, the Committee shall:

- a. Ensure that the Company implements an effective risk governance structure and control framework which envelops key risk areas with appropriate reporting;
- b. Consider on an annual basis and recommend for approval by the Board the Group's risk appetite taking account of the current and prospective macroeconomic and financial environment;
- c. Review, challenge and approve, at least on an annual basis:
 - Risk limits and tolerances, inter alia:
 - i. by asset type;
 - ii. by geography (sovereign risk);
 - iii. by counterparty exposure;
 - iv. for interest rate exposure;
 - v. for currency exposure;
 - vi. for borrowing at the Group level;
 - vii. cyber risk attack procedures;
 - tax risk management;
- d. Confirm on-going regulatory compliance where appropriate (e.g. FATCA);
- e. Oversee the Group risk profile, challenging the assessment and measurement of key risks whilst monitoring the actions taken to manage them;
- f. Review and recommend scenario assumptions for inclusion in risk evaluation planning and receive the results of stress and scenario analysis to determine whether proposed mitigation is sufficient to manage the business risk profile within the Board's appetite; and
- g. Make recommendations to the Board having taken advice from the Investment Manager, on material changes to:
 - i. Investment and Strategy;
 - ii. Treasury Policy;
 - iii. Hedging Policy; and
 - iv. Risk Policy.
